

RESTORATIVE MEDICINE REGIONAL CONFERENCE

Friday, Feb. 10 to Sunday, Feb. 12, 2017
University of Toronto Chestnut Conference Centre, Toronto, Ontario

Your Opportunity to Connect With Up to 250 Canadian Naturopathic Doctors

For the first time, naturopathic doctors licensed in Ontario can now prescribe hormones for their patients, after passing an exam. To help them prepare, the Association for the Advancement of Restorative Medicine (AARM) and the Ontario Association of Naturopathic Doctors (OAND) are presenting three days of intensive education on the diagnosis and treatment of conditions caused by hormone imbalance. This will be the perfect opportunity to demonstrate your products and services to NDs who are expanding into new areas of patient treatment.

Unlike other conferences where hundreds of exhibits compete for attendees' attention, at the Restorative Medicine Regional Conference we limit the number of exhibitors to ensure greater exposure. **There will be no more than 13 exhibitors at this conference.** The higher ratio of attendees to exhibitors means the physicians attending the conference will be able to focus more of their attention on your exhibit and your products.

Maximize Your Visibility by Becoming a Conference Sponsor

Sponsors will receive a larger exhibit space with priority location. Sponsors have extended exhibit time, being the exclusive exhibitors on the first day of the conference, Friday, Feb. 10. Other sponsor benefits include:

- **Featured products table:** Available exclusively to sponsors is a table in the exhibit hall to spotlight products. Sponsors will be able to put samples on the table (the number of samples varies depending on sponsorship level) along with a placard describing the product.
- **Tote bag inserts:** All sponsors receive a complimentary insertion of marketing material (up to one 8.5 X 11 inch sheet in size) in the conference tote bag that all attendees receive (a \$900 value).
- **Enhanced logo visibility:** Sponsors enjoy additional placement of company logos within conference communications and on signage during breaks.
- **Direct attendee communication:** Sponsors will receive complimentary access to conference registration lists, so that they may reach attendees directly. Registration lists include email addresses.
