

## **Continuing Education Credits for 2018 Toronto Restorative Medicine**

Live conference: 10 CE total, including 2 pharmacology CE.

Online university: 6 CE credits, including 3 pharmacology CE, and 2 jurisprudence CE (for Ontario NDS)

Credits have been approved by the College of Naturopaths of Ontario (CONO). CE Credit breakdown for live and online combined: 9 General CE, 5 Pharmacology CE, 2 Jurisprudence for Ontario NDs

The live program has been accredited for California-licensed Naturopathic Doctors by the California Naturopathic Doctors Association (CNDA) for 10 CE hours, of which 8 are General CE hours, and 2 are Pharmacy CE hours AND online courses for 4 CE, including 3 pharmacology CE.

CE credits for the live conference and online university have been approved by the Oregon Board of Naturopathic Medicine (OBNM). CE Credit breakdown for live and online combined: 9 General CE and 5 Pharmacology CE.

For British Columbia NDs: Category F/ Pharmacology CE will be available, pending approval (5 CE total). CONO approved courses will apply for general CE.

The jurisprudence credits will be offered as a live webinar on February 23, at noon Eastern time. You will receive a link to listen to the recordings at your convenience. Simply watch the recorded seminars and take a short online quiz to receive your additional credits.
