

RESTORATIVE MEDICINE REGIONAL CONFERENCE

Friday, February 8 to Saturday, February 9, 2019
Delta Toronto East Hotel, Toronto, Ontario

Your Opportunity to Connect With Up to 250 Canadian Physicians

After a very successful Toronto Regional Restorative Medicine Conference in February 2018, we've decided to return to the Ontario region for a follow-up conference in February 2019. This two-day conference, to be held at the Delta Toronto East hotel, will have the theme of Clinical Perspectives on Hormones, Testing and Neurodegenerative Diseases. This will be the perfect opportunity to demonstrate your products and services to physicians located in Ontario and the rest of Canada.

Unlike other conferences where hundreds of exhibits compete for attendees' attention, at the Restorative Medicine Regional Conference we limit the number of exhibitors to ensure greater exposure. **There will be no more than 26 exhibitors at this conference.** The higher ratio of attendees to exhibitors means the physicians attending the conference will be able to focus more of their attention on your exhibit and your products.

**Get up to 6.75 hours of unopposed time
with attendees!**
